Mr. Robert Harvey,
St. Michaels, Md.

Dear Sir:

I received a letter from Mr. Robert Johnson of Chester, Pa. recommending your ability as a good Catcher and hitter. I am very much interested in you and will stop through your City next Wednesday Morning, March 22nd, and would like to see you. If it is a good day, would like to see you in action. Expect me Wednesday.

I would appreciate it very much if you would answer this letter right back and tell me some definite place where I can meet you.

Yours very truly,

DL:CCJ
